Dear Passport Customers,

Please know that Passport and our Partners will be available to help with support and services during this difficult time.

We have made adjustments for our staff to work from home, and still provide prompt responses to your calls and emails. We expect operations for both sales and support to continue uninterrupted.

If you have employees working from home, or other remote locations, who need to access PBS, we can help. We invite you to visit our customer website to learn more.

Passport will continue to provide our very best service to you. Please do not hesitate to contact us, or your Passport Partner, for any of your needs.

Be well. You are all very important to us.

Sincerely,

John A. Miller
