

April 2024

Dear Passport Customer,

The Passport team is constantly striving to improve the products we offer by creating updates and enhancements to improve your efficiency and profitability. By staying current on PUP, here are a few of the many benefits you will receive:

- ✓ Fully integrated document management ([eDocs](#)) for Accounts Payable and Accounts Receivable for PBS **SQL** and **Cashpoint**; additional modules to follow.
- ✓ Compliance with the latest state and federal tax and reporting changes-
- ✓ Access to Passport's [Training Library](#) which is an ever-growing resource of training videos, accounting basics, year-end help, and much more, which you may access anytime.
- ✓ And many new features and functions to help you run your business more efficiently.

We encourage you to maintain your Passport Update Program and safeguard your PBS™ software investment. **Renew today.** Please contact your Passport Partner for more details.

We thank you for your business.
The PSI Team

Passport's mission has always been to help our customers grow and improve efficiency and profitability by providing innovative software enhancements.
